SIR SYED DAY 2026 · INTERNATIONAL MUSHAIRA

Saturday, 14 November 2026 · Dinner 5:30 PM, Mushaira 7:00 PM

Sharon Middle School Auditorium, 75 Mountain Street, Sharon

For one evening in November, six poets will share a stage in Sharon — four flying in from India and Pakistan, two from here in New England.

We expect **three hundred and fifty people** — families from across Massachusetts, Rhode Island, New Hampshire, Connecticut and Vermont, with the largest numbers from the Boston suburbs and the towns around Sharon. Physicians, engineers, business owners and their children.

They will be looking at your name all evening, and a great many of them live close enough to walk into your business next week.

Ways to Support

Every level includes seats with dinner, your name on the sponsor board at the entrance, and a line in the program booklet that each family takes home. Every level is seated in the reserved sponsors' section; from Silver upward your name is also read aloud from the stage and your seats are in the front row.

Individuals and families are welcome at any level — give in your own name, in your family's name, or in memory of a parent or teacher. The name you choose is what we read from the stage. **Front-row seats are allocated in order of commitment** and are limited.
